

# ALEXANDER TECHNIQUE

# SCOLIOSIS 101

## INTRO AND INTERACTIVE LAB

**Kecia Chin will introduce Dr. Hagit Berdishevsky—PT, DPT, McKenzie Therapist, Schroth-BSPTS-Schroth-Barcelona Institute Therapist & Educator—who will discuss how scoliosis affects body mechanics, both functional and structural scoliosis. They will discuss how Alexander Technique can contribute to conservative care, management and maintenance.**

**Scoliosis 101 Wednesday June 26**  
**Part I, 9-10:30; Part 2 at 11-12:30**  
**Faculty House**  
**COLUMBIA UNIVERSITY**

64 Morningside Dr, NY, NY 10027
